We will take positive and proactive steps to remove, reduce or prevent the obstacles faced by a disabled individual, as far as is reasonable.

6 Admissions policy

Our admissions criteria are defined under the admissions policy and are applied consistently to every young person, irrespective of any protected characteristic.

7 Curriculum delivery

The curriculum is crucial to tackling inequalities for pupils including gender stereotyping, preventing bullying and raising attainment for certain groups. The principles of equality and diversity are embedded in our academic and social curriculum. Positive and proactive steps will be taken to prevent discrimination against, or victimisation of, any student in the provision of education or access to any benefit, facility or service including educational trips, work experience and leisure activities.

We will avoid unlawful discrimination in all aspects of employment including recruitment, promotion, opportunities for training, pay and benefits, discipline and selection for redundancy. Selections will be made on the basis of aptitude, ability and/or merit, where appropriate.

Where recruitment and selection is carried out by a third party, on behalf of the Trust, we will take all reasonable steps to ensure they adhere to the principles of this policy.

10 Reporting and recording incidents of discrimination and harassment

All incidents of discriminatory treatment, bullying and harassment must be reported to senior staff and recorded as soon as is reasonably possible (and in any event within 24 hours of the incident). All bullying-related incidents (confirmed or otherwise), will be addressed in accordance with each school's Anti-Bullying Policy.

- 12.3 The Equality Policy will be reviewed on a three-year cycle by a representative working party consisting of the following stakeholders:
- Pupils
 - Parents
 - Staff
 - Governors
 - Community representatives
- 12.4 The effectiveness of this policy will be assessed using a self-evaluation framework and an assessment of progress against targets identified in the action plan together with stakeholder views. Appendix 1

Trust Equality Objectives 2021 - 2024

The general equality duty requires public authorities, in the exercise of their functions, to have **due regard** to the need to:

- Eliminate discrimination, harassment and victimisation and any other conduct that is prohibited by or under the Act.
- Advance equality of opportunity between people who share a relevant protected characteristic and people who do not share it.
- Foster good relations between people who share a relevant protected characteristic and those who do not share it.

These are often referred to as the three aims of the general equality duty.

Objective 1

Undertake an analysis of recruitment data and trends with regard to race, gender and disability, reporting to the Board of Directors annually.

Objective 2

Have in place a reasonable adjustment agreement for all staff with disabilities to better meet their needs and ensure that any disadvantages they experience are addressed.

Objective 3

Ensure that all members of staff and governors involved in recruitment and selection have access to equal opportunities and non-discrimination training. Training evaluation data will show that 100% of those attending have a good understanding of the legal requirements.
